## Teacher Appreciation Week: A lot to love

Pitsco offers three ways to win teacher-recommended products and more

PITTSBURG, KS (May 6, 2019) – Teacher Appreciation Week is off like a rocket ship with three ways to win May 6-10, 2019. Pitsco Education has a stellar lineup of free class packs and product vouchers for out-of-this-world educators to bring hands-on, minds-on learning to their students.

*“We strive every day to empower teachers with the best hands-on STEM learning materials, and this week we want to give a few educators the chance to find out firsthand why Pitsco’s products are a perfect fit for any K-12 STEM activity or program.” – Pitsco Education President Lisa Paterni*

### [Tweet it.](#)

Educators need to enter just once by Thursday, May 9, at 11:59 p.m. to be eligible to win a portion of the \$3,000 in prizes, which include two \$350 Pitsco product vouchers as well as seven educator-recommended, new favorites and time-tested class packages featuring hands-on STEM products and equipment:

- Straw Rockets – Getting Started Package
- 3Doodler Start Learning Pack
- T-Bot® II – Getting Started Package
- Water Rockets – Getting Started Package
- SunEzoon Cars – Getting Started Package
- KUBO Coding and Coding+ Single Bundle
- UBTECH Education UKIT Beginner

“As a company started by educators for educators nearly half a century ago, Pitsco Education has always valued and appreciated teachers and their students above all else,” said Pitsco Education President Lisa Paterni. “We strive every day to empower teachers with the best hands-on STEM learning materials,

and this week we want to give a few educators the chance to find out firsthand why Pitsco’s products are a perfect fit for any K-12 STEM activity or program.”

### **Sharing the love in social spaces**

Giveaways extend to social media too. Educators are encouraged to follow Pitsco’s Facebook, Twitter, and Instagram accounts for their opportunity to win one of 10 Try This: Parachute Kit class packs. If already a connected fan, educators are asked to tag a colleague on one of Pitsco’s many Teacher Appreciation Week posts before the end of May 9 to be eligible. Pitsco’s Try This kits are teacher-approved, hands-on activities for classrooms, STEM stations, and even STEM days or STEM family nights.

Visit [Pitsco.com/TAW2019](https://Pitsco.com/TAW2019) to learn more about the prizes and enter for a chance to win no later than 11:59 p.m. on Thursday, May 9. Winners will be notified via email and announced on Friday, May 10, via Facebook, Twitter, and Instagram.

*[Pitsco Education](#) is the leading provider of K-12 hands-on STEM solutions. STEM education prepares learners for the future through the integration of science, technology, engineering, and math concepts using relevant hands-on applications to connect school, community, and work.
